SVCTE's 17th Annual Custom & Classic Car Show: May 12

You are invited to join us for the 17th Annual Custom and Classic Car show on Friday, May 12, from 5:00 to 8:30 p.m. The Silicon Valley Career Technical Education (SVCTE) car show grew steadily, with over 260 entries in 2022.

According to Silicon Valley CTE's Auto Body instructor and event organizer Robert McTaggart, more than 1,000 spectators attend the annual event each year. Spectators enjoy voting on their favorites in nine categories: best car, best motorcycle, best bike, best car under construction, best truck, best club participation, ugliest car, best engine, and the best paint job in the show.

At the most recent car show, more than \$10,000 profit was made, all of which goes to support SVCTE's successful SkillsUSA Club. The car show fundraiser allows students to showcase the cars they had worked on while attending SVCTE. Each year, countless volunteers, students, and staff from SVCTE classes, the community, and the MetroED Foundation set up and attend the event.

Students and staff from SVCTE programs showcase a variety of display tables. Raffle prizes will be donated by vendors and the California Teachers Association (CTA). Music is provided. Several videos from SVCTE's car show are available on YouTube.

The May 2023 car show is just around the corner, and sponsors are needed to make the event even more successful this year. Tax-deductible donations may be made through the MetroED Foundation, which is a 501(c)(3) non-profit organization (tax ID number is 77-0320022). For questions, contact car show event organizer: **Robert McTaggart at (408) 723-6563**. Please specify that the donation is for the *SVCTE Annual Custom & Classic Car Show*. Donations can be made online via PayPal at www.metroedfoundation.org/donate, or by mailing your tax-deductible donation to:
