SUPERINTENDENT'S WELCOME

MetroED, the leader for Career Technical Education and Adult Education in Silicon Valley, is proud to offer high school students and adults a wide range of courses that prepares students today for tomorrow's 21st century jobs.

We offer programs in 11 industry sectors ranging from Arts, Media, and Entertainment to Health Science and Medical Technology.

Silicon Valley Career Technical Education classes provide students with exciting career-related classes that are relevant and rigorous. Instructors utilize hands-on, project-based

learning throughout the programs making learning fun and meaningful. Our programs provide students with employability skills which help students earn higher salaries life-long. Many of our programs offer college credit and connect to career pathways with our local community colleges.

Silicon Valley Adult Education offers classes for free or at a very low cost. Our classes are convenient, accessible, and have flexible schedules to meet the family and work needs of adults. The courses range from basic skills in math, reading and writing, ESL to Career Technical Education (Vocational) certificate programs.

My vision for MetroED is to offer cutting-edge, high-quality programs that will prepare students for college and careers in today's competitive global economy. On behalf of the entire staff, we thank you for continuing to support our high school and adult programs.

Alyssa Lynch
Superintendent

MESSAGE FROM THE BOARD PRESIDENT TERESA CASTELLANOS

Teresa Castellanos
San Jose Unified
School District

As President of the MetroED Board, it is my pleasure to present the 2018 Annual Report. MetroED serves over 3,000 students including 43 high schools across Campbell Union High School District, East Side Union High School District, Los Gatos-Saratoga Union High School District, Milpitas Unified School District, San Jose Unified School District, and Santa Clara Unified School District.

On behalf of the MetroED Governing Board, we want to thank the students, staff, and community for their continued support of our programs. We are honored to represent the six school districts as partners operating MetroED. Each board member has a strong commitment in overseeing the operations of over 40 high quality unique programs for our diverse population of high school and adult students. *Silicon Valley Career Technical Education (SVCTE)* allows students to continue their academic pursuits, while gaining hands-on learning experiences with state-of-the industry facilities and equipment.

The classes offered through *Silicon Valley Adult Education (SVAE)* provide opportunities for adults to learn English as well as learn other skills that will prepare them to thrive in future college and careers. The MetroED Governing Board meets on the second Wednesday of the month (August through June) at 6:00 p.m. at 760 Hillside Avenue, San Jose. The public is always welcome to attend. Your input is important for the continued success of our programs.

- **High School and College Credits**
- **Taught by Industry Experts**
- **Project Based Courses**
- **Internship Opportunities**
- **High Wage, High Skill Jobs**
- **STEAM Focused**

Silicon Valley Career Technical Education

We are a Science, Technology, Engineering, Arts, and Mathematics (STEAM) high school program offering 24 courses (18 of which are UC "a-g" approved) that prepare students for college and future careers.

The program is **FREE** for qualified 11th & 12th grade students who are training for a specific career path. Students who enroll in the program must commit to the **morning** (7:30 a.m. - 9:30 a.m.) or **afternoon** (12:30 p.m. - 3:30 p.m.) session Monday - Friday. Bus transportation is provided from the student's home high school to SVCTE, and back to the home high school.

Our daytime Career Technical Education classes are designed specifically for high school students; adults may register on a space-available basis only.

UC "a-g"

These courses are academically challenging, involving substantial reading, writing, problems and laboratory work. They show serious attention to analytical thinking, factual content and developing students' oral and listening skills. Of the 20-30 credits earned during the school year, 10 credits (1=1 year for UC) may be reported on a student's application for admission to any University of California or California State University.

Silicon Valley Career Technical Education courses help high school students get a jumpstart on successful high-wage, high-demand careers, like ***Mechatronics Engineering***.
